

Courage does what's right- even when other people don't agree or are too afraid to. Trust God's strength, and He'll give you the courage to do what you need to do!

Courage Complete this activity with your family!

David showed courage. He fought Goliath when no one else would. Write or dare some ways you can show courage inside each stone.

Say this week's Bottom Line from memory!  
*God gives me the courage to do what's right.*

Say this week's Memory Verse from memory!

**1 Corinthians 16:13 NLT** *Be on guard. Stand firm in the faith. Be courageous. Be strong.*

# FUSION KIDZ AT HOME

## DAILY CHALLENGES

### MONDAY CHALLENGE - EYES ON JESUS

God is the author of our faith, our life and every step but sometimes we allow fear to slip into our thoughts. Today I challenge you to keep your eyes on Jesus and fill your mind with life-giving thoughts and have the courage to put an end to any stinking thinking!

### TUESDAY CHALLENGE - FACE YOUR FEARS

David had courage to stay even when he was tempted to run away. Sometimes we can feel fearful when we doubt our own abilities. Today write down a few things that you feel you have not been good at and talk with your parents about how you can practice to get better at it and pray to Jesus together asking for His help. Try something new!

### WEDNESDAY CHALLENGE - WHAT ARE YOU GOOD AT?

Today I challenge you to write down a few things you are good at doing and with the help of your parents, analyze these 5 things and decide how you can use these gifts or talents to help others during this time. Sometimes it takes courage to show our gifts and talents to others.

### THURSDAY CHALLENGE - FAILURE IS AN OPPORTUNITY

Fear can arise when we fail at something but this should not be the case. Failure is an opportunity to try again until we get better at it and it's also another opportunity to trust Jesus! Today I challenge you to practice something you feel you have previously failed at before and ask your parents to pray with you about it and take small steps to overcome it! Maybe it's riding a bike, roller skating or math problems.

### FRIDAY CHALLENGE - DO THE RIGHT THING

It can take courage to do the right thing when everyone else is choosing not to. You might feel different but the truth is, Jesus called us to be set apart. I challenge you to think of a situation where you might have to make a decision that differs from everyone else; will you have the courage to say, "I trust You Lord, You are my rock"?
