

DRAW BY LAW ACTIVITY SUPPLEMENT GOD'S GRACE // WEEK 3

Note: Don't let kids see the drawing on this page while they are following the Draw by Law Directions.

Draw by Law Directions:

1. Draw eight circles on your paper in different sizes.
2. Draw two squares in opposite corners of your paper.
3. Draw two long wavy lines.
4. Draw three straight, horizontal lines. **Note:** If your kids don't know what horizontal lines are you can call them side-to-side lines or laying down lines.
5. Add three straight, diagonal lines. **Note:** If your kids don't know what diagonal lines are you can call them oblique lines, or describe them as slanted or looking like a slide.
