

The body of Christ is God's Church. God gives each person in His Church a job to do to keep the Church healthy, just like each part of your body has a job to do to keep you healthy.

Complete this activity with your family!

Each part of the body is labeled with a job someone can do in God's Church. Think of someone you go to church with who is good at each job, and write their name next to it.

Say this week's Bottom Line from memory!

The Church is everyone who follows Jesus.

Say this week's Memory Verse from memory!

1 Corinthians 12:27 NIV *Now you are the body of Christ, and each one of you is a part of it.*
