

Blinky's Family Challenge

I show wisdom when I ...
pray to God and listen to what He says!

What Do You Hear?

When you pray, God answers in your heart. Just like you can practice listening to sounds with your ears, you can practice listening to God with your heart!

Directions

1. Lay quietly on the floor inside.
2. Name every sound you can hear.
3. Go outside and lay on the ground.
4. Name every sound you can hear.
5. Talk about how the sounds were different inside and outside.
6. Think of things God might tell you that you can listen to in your heart, such as love, help, and forgive others, trust God, have peace, God loves you, etc.
